

## OATA Mentorship Program

Hello OATA Members!

The Early Professionals Committee and the Career Advancement Committee have teamed up to start a mentorship program for athletic trainers throughout Oklahoma. We are looking for OATA members that may be looking for a mentor within the profession or are interested in becoming a mentor in the program.

- Build a one-on-one professional relationship
- Enhance/Share your professional skills and knowledge
- Grow your network and learn new perspectives
- Receive/Give guidance and support
- Flexible time-commitment

This program is open to all athletic trainers, regardless of how many years you have been a certified professional.

If you are interested in becoming a mentor or mentee, please fill out the correct form below. The committees will be pairing mentors and mentees based on identified common goals and needs. Please check your emails for pairing details once you have completed the online form.
